DATA SHEET

LADDER - Self Retracting Landyard Anchor Kit

Self Retracting Anchor Kit
(Tuff-Bloc shown in picture purchased separately)

Self-retracting lanyard anchor kit, designed to be installed on the rungs of a ladder. Systems shall be designed to limit free fall, swing fall and maximise fall clearance. Where possible, systems should be installed as close to the centre of the ladder or climbing zone as possible. Use in conjunction with SafetyLink's Tuff-Bloc's.
