TAKE THE STEP WITH CONFIDENCE

Our new FastFit Walkway and Guardrail systems are designed to enable access to a multitude of scenarios forming a complete fall protection system.

- ▲ Heavy duty posts for longer spans, reducing the number of posts required.
- ▲ Lightweight modular and fully adjustable systems.
- ▲ Heavy gauge aluminium for superior strength.
- ▲ Simple components for quick and easy installation
- ▲ Strong sturdy compliant system, backed with comprehensive installation guides and technical support.
- ▲ Complies with AS1657:2018 standards.

SafetyLink will provide you with the following:

- ▲ All products tested and manufactured to current Standards.
- ▲ All distributors and installers are trained to use SafetyLink products.
- ▲ Supply installation guides, testing results and product sheets.
- ▲ Layout Design Service providing compliant roof safety systems.
- ▲ Supply a large range of roof anchors that protect you from the ground up, allowing complete access to your roof.
- ▲ Installers are qualified to do yearly inspections on your anchors as per current Standard.
